To qualify for the Web Fare Guarantee, the registered Onriva user must book the airfare through the Onriva website and provide documentation of the lower airfare found on a publicly available site. The documentation provided by the registered Onriva user must be for an airfare that is bookable in the same class of service with the same outbound and return dates, exact times, same airline, and same flight number. Airfares displayed on non-booking meta-search sites like Kayak, Momondo, Skyscanner, or Google Flights are not eligible to qualify for the Onriva Web Fare Guarantee, nor are airfares from auction sites like Priceline or Hotwire. Payment to be made via check, ACH, or credit card refund within 60 days following completion of travel. [Click HERE](#) for full program terms and conditions.
